ORGANIZED BY

**AEROMAG**  
ASIA  
a magazine dedicated to aerospace & defence industry

in association with

Society of Indian Aerospace  
Technologies & Industries

**MACHINEMAG**  
a magazine dedicated to indian manufacturing industry

Government of India is pursuing an ambitious plan to increase the manufacturing capability of Indian defence and aerospace companies for reducing the imports and making the country self-reliant in Defence Sector under the 'Make-in-India' programme. Supporting this national campaign for imparting latest technologies and providing new opportunities for Indian companies in Aerospace and Defence Manufacturing, we are organising the **Fourth edition of ADMS**.

ADMS is an ideal platform for meeting and sharing the capabilities and expectations of Indian industries, updating technologies and exploring opportunities in the ever-evolving Defence and Aerospace arena. Representatives from Defence PSUs, Defence and Civil Aviation Ministry, DRDO, private Industry, state governments, certifying authorities and Armed Forces will take part and interact in the event envisaged for creating a vibrant manufacturing industry in the country.
